

THIRTY-NINE NAMED WHO'S WHO AMONG UNIVERSITY STUDENTS

This year DBU has selected 39 individuals to become members in the nationally recognized Who's Who Among Students in American Universities and Colleges. The requirements to be considered for this honor include outstanding academic achievement, active participation on campus and in the community, and demonstration of Christian character and commitment in every area of their lives. Nominees are recommended by faculty and staff members, and they must be either juniors or seniors and possess a 3.0 grade point average.

"We are blessed to have such wonderful students here at DBU," said Dr. Gary Cook, DBU president. "These students will become the future leaders of our government, businesses, hospitals, churches, social ministries, academic institutions, and wherever else the Lord may lead them."
